Illawarra Contractor Management System

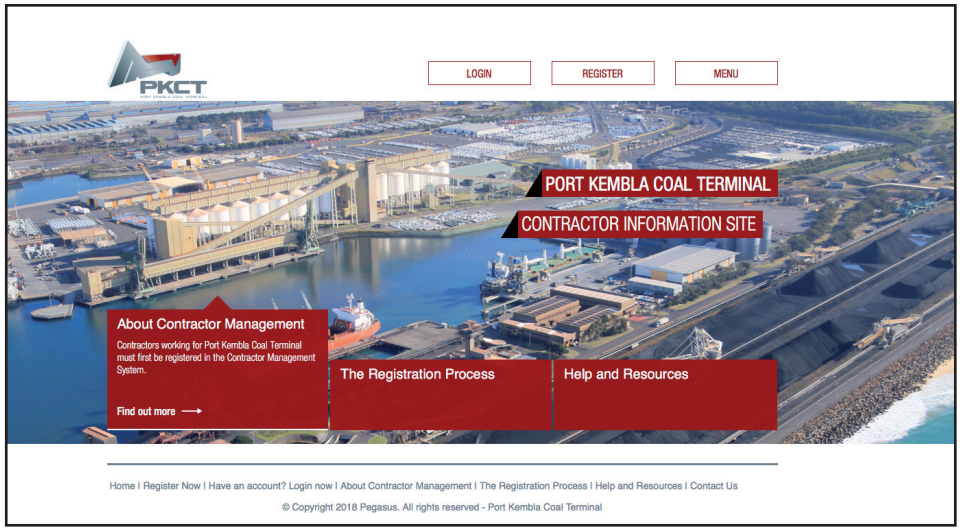
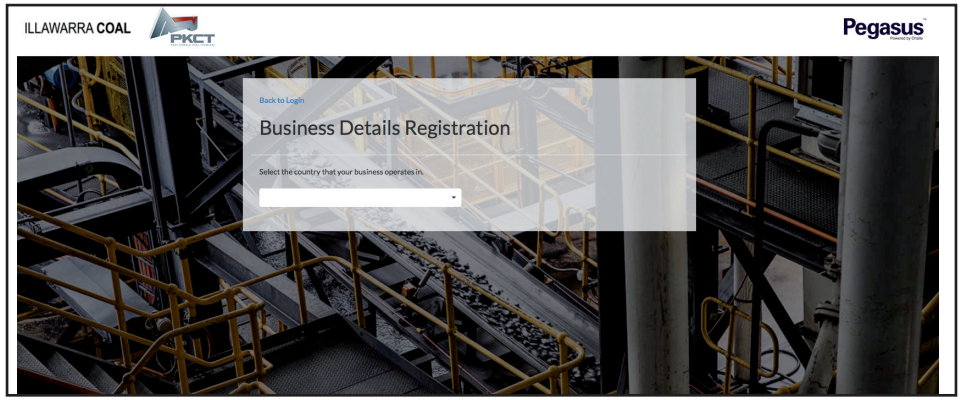
Please follow this step-by-step guide to register your business in the Illawarra Contractor Management System.



Step 1

Please go to http://www.pkctcontractors.com.au and click “Register” in the top menu bar.

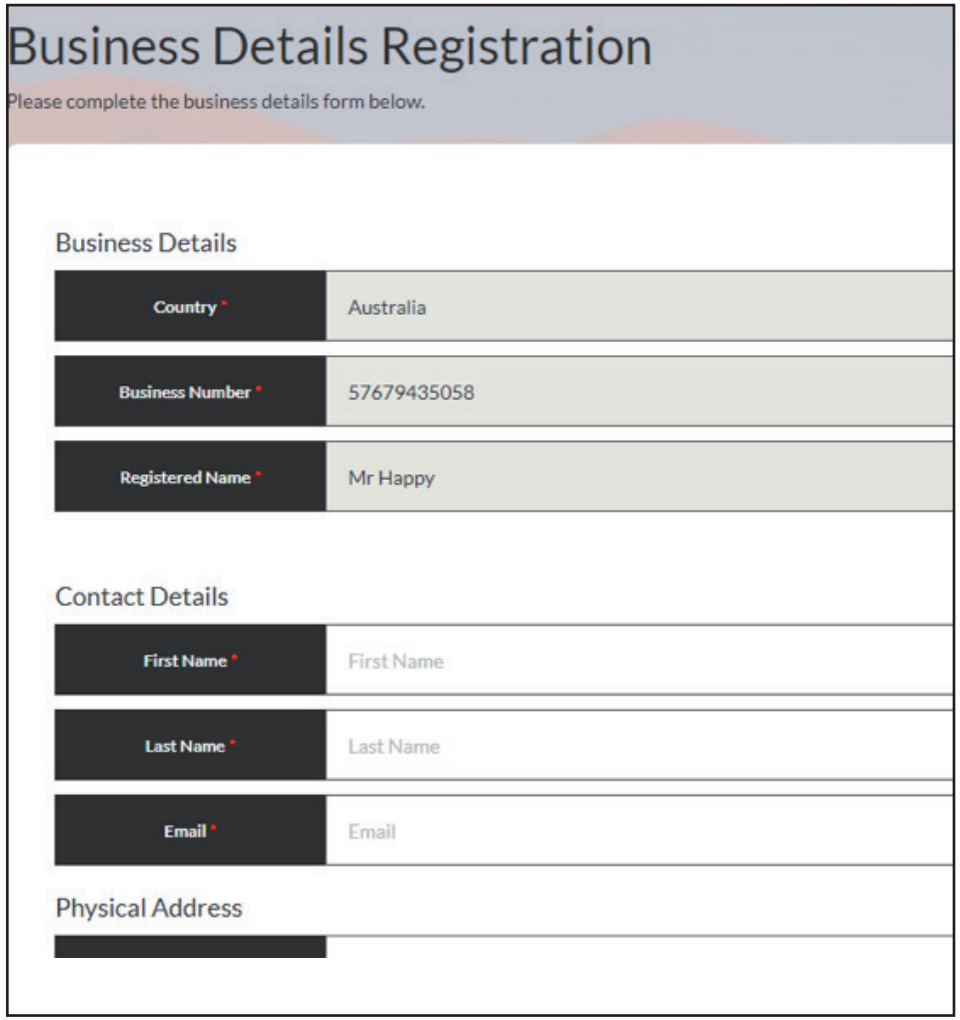


Step 2

Select Australia from the drop down menu

Enter you business’ Australian Business Number (ABN) or search for it using the ABN Lookup page.

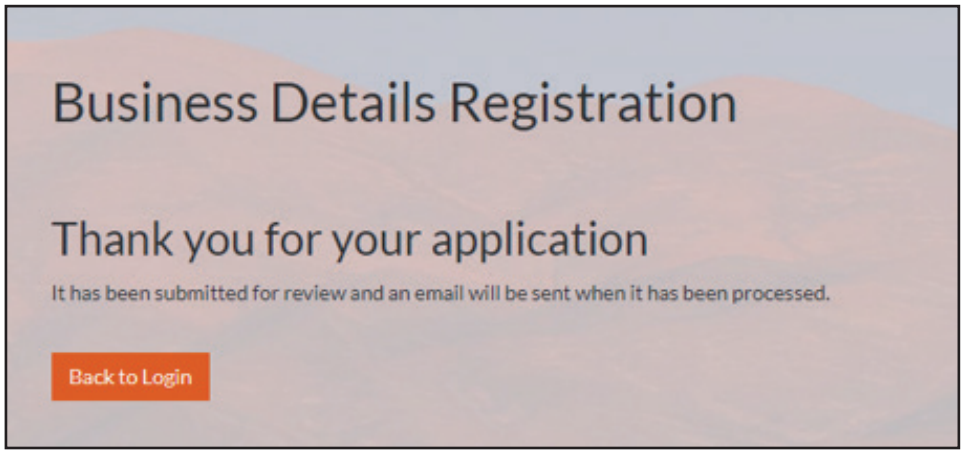
Confirm your business name to continue.



Step 3

Enter your business details in the registration form.

Select the declaration and click “Request Registration.”



Step 4

Once you have successfully registered your business, you will receive an email confirming your registration and a second email containing your login credentials.
